

# Post Abortion Recovery

## About the Study

Many people (not only women) are sitting in our midst who have experienced abortion and have never dealt with it. The healing power of Jesus can bring forgiveness and wholeness to their lives.

If you've experienced an abortion, this ministry will give you the necessary tools to assist in rebuilding your life through group study, one-on-one help, and self-study.

This life-changing, life-saving ministry will help you heal-spiritually, emotionally, and mentally. It will help you gain control of your emotions, learn freedom from guilt, find your source of courage, renew your mind, and experience God's full grace.

The study focuses on providing answers to life's most difficult questions after abortion:

- ⇒ Is there life after abortion?
- ⇒ Can I really overcome and be set free?
- ⇒ What happens to my unborn child?
- ⇒ Where do I go from here?

**You can begin again!** It's time to overcome the depression, anger, denial, and guilt that has haunted you. Get hope for a new start!
